
To all Indel customers

Russikon, 18th July 2019

End of life notice COP-MAS (with 330 MHz PowerPC CPU)

The COP-MAS modules from the 1st generation (330 MHz PowerPC CPU) will be discontinued by Indel at the end of January 2020. The COP-MAS modules can be replaced with the COP-MAS2 modules from the 2nd generation (800 MHz ARM CPU). Please contact Indel at an early stage in order to work out the optimal follow-up solution.

Do not plan new machines with COP-MAS from the 1st generation.

Label	Option	Indel-No.	Current product status	Product status in end of January 2020	Possible successor products
COP-MAS	GinSlave	610940800	Full production	End of life	COP-MAS2 (800M/LITE) or COP-MAS2 (2x800M)
COP-MAS	GinMaster	610940810	Full production	End of life	

Please plan the use of spare products and / or setting up a stock of spare parts. Indel will not have a stock of spare parts.

Order and delivery information:

	Datum
Notification date	18 th July 2019
Last possible order / volume contract	31 st January 2020
Last possible delivery	31 st January 2021

Repairs are still possible if the broken part is repairable and the needed spare parts are still available.

Explanation:

Single piece:	Can be delivered as spare part only. Do use our replacement product!
Mature product:	Mature product, but still with good availability. Do not use these products for new machine generations!
End of life:	No longer available/produced, but possibly fully serviceable.
